Anchorage, AK 99501

Dear Mr. Peake,

On behalf of the SAME Anchorage Post, I wish to extend my sincerest thank you to you and your company for your excellent support to our regional SAME 2013 Pacific and Northwest Joint Engineer Training Symposium held at the Hotel Captain Cook in Anchorage, Alaska, February 27 through March 1. It was a great success and it could not have been so without your professional audio visual services. I would also like to extend our thanks to Misters Casey Guild, Dustin Clark and Charles Williams for their service and noticeable courteous attitudes.

The overall quality of the sound and audio visual required for our guest speakers and briefing slides during the three days of the symposium was superb. Also, the content upon which our symposium was planned was in large measure dependent on individuals that were not physically present in Alaska. Those places included Honolulu, HI and locations in the Pacific Northwest continental United States. As such, we were very pleased with your timely advance preparations the results of which made for very clear sound and picture for those out of state presenters.

Once again, thanks. As you may be aware, we are one of the few local professional societies where both the military and private sector can meet, mingle and continue to exchange ideas and information on a monthly basis thus serving the primary reason that SAME exists. We look forward to working with you in the future with the aim to our mutual benefit. I would be pleased that, should you have any questions or if I can be of further assistance, you do not hesitate to call me at (907) 694-5783.

Sincerely,

Alan J. Quesnel, P.E.
President
Anchorage Post
